

Flexible configuration, Genuine Samsung consumables.

Product Configurations

Basic Configuration

Main Unit + Stand

Input Capacity: 1,140 Sheets
Output Capacity: 650 Sheets

Advanced Configuration

Main Unit + 1,250 Sheet Standard Finisher + Dual Cassette Feeder

Input Capacity: 2,180 Sheets Output Capacity: 1,400 Sheets

Full-Featured Configuration

Main Unit + 3,250 Sheet Booklet Finisher + High Capacity Feeder

Input Capacity: 3,140 Sheets
Output Capacity: 3,400 Sheets

Protect your investment with genuine Samsung consumables.

Only genuine Samsung polymerized toners are engineered along with the SCX-8230NA and SCX-8240NA to maximize performance, image quality and control. They're designed to work precisely and efficiently with each other, to help you always look your best.

Consumables				
Model	SCX-8230NA/SCX-8240NA			
Toner Part Number	Toner Description			
MLT-K606S	35,000 Yield - High Yield Black Toner			
MLT-K607S	20,000 Yield - Standard Black Toner			
MLT-R607K	100,000 Yield - Black Imaging Unit			
MLT-W606	300,000 Yield - Waste Toner Container			
SCX-PM10K	Transfer and Cleaning Set			
CLX-PMK11C	Tray Roller Kit			
CLX-PMK13C	MP Roller Kit			

Options					
Model	SCX-8230NA/SCX-8240NA				
Accessory Part Number	Part Description				
CLX-BRG200	Bridge Unit for Finisher (required for CLX-FIN40L, CLX-FIN40S)				
CLX-DHK11C	Cassette Dehumidifying Heater				
CLX-DSK10T	Stand				
CLX-FAX160	Fax Kit				
CLX-FAX260	Multiline Fax Kit				
CLX-FIN40L	3,250-Sheet Booklet Finisher (requires CLX-BRG200)				
CLX-FIN40S	1,250-Sheet Standard Finisher (requires CLX-BRG200)				
CLX-HCF102	High Capacity Feeder (2,000 Sheets)				
CLX-HPU000	2/3 Hole Punch Kit				
CLX-KIT10F	Foreign Device Interface Kit				
SCX-MEM300	512 MB Expansion Memory Module				
CLX-PFP000	Dual Cassette Feeder				
SCX-STP000	Finishing Staples Cartridge 15K Yield				
CLX-WKT000	Working Table				
SCX-JST100	Job Separator				

Produce polished documents of various formats and media types.

If your MFP were capable of more, what would you be capable of? Find out with the versatile Samsung SCX-8230NA and SCX-8240NA monochrome MFPs. They'll be there for you with every presentation, every late night, every last-minute pitch. And as you grow, they'll grow right along with you. They're business partners you can rely to perform professionally and reliably, job after job, year after year.

Configured to Grow with a Business

The MultiXpress SCX-8230NA and SCX-8240NA are designed to expand with a growing business. The MFPs can be configured based on the needs of the business with a wide range of functions, including:

- Working Table
- 1,250-Sheet Standard Finisher
- 3,250-Sheet Booklet Finisher
- Stand
- Dual Cassette Feeder
- High Capacity Feeder

Extensive Paper Handling and Finishing Capabilities

Workgroup members can finish various types of documents with the optional 1,250/3,250-sheet finisher (hole punch and booklet), stapling and folding features. Users can select from the optional dual cassette feeder (DCF) and high capacity feeder (HCF).

Wide Media Acceptance, Including Banners

The MultiXpress SCX-8230NA and SCX-8240NA MFPs can accept a wide array of media types. The A3-capable MFPs accept the widest copy paper weight in their class. A multipurpose tray supports envelopes of various widths, heavy stock paper and other special media. Additionally, the MFPs can support banners up to 47.2" x 12.5".

Samsung SCX-8230NA/SCX-8240NA MultiXpress Multifunction Printers

Easy operation at your fingertips.

When you're in a hurry, the last thing you want to do is stand there trying to figure out how to work your MFP. Samsung's advanced technology is intuitive. Every advancement we make is for a single purpose: to make your workday easier.

Samsung MPS, Mobile, Security and Productivity Solutions

Samsung offers intelligent in-house and partner solutions that increase office productivity.

Simplified Savings with the Touch of a Button

Businesses can lower operating expenses with greater ease using Eco Mode, an energy-saving feature that helps companies reduce paper and power costs. By simply pressing the Eco button on the MFP, users can print more onto every page, with options for 2-up, 4-up and duplex printing.

Users can select the option to automatically skip blank pages, which helps save on toner, further reducing supply expenses.

Conversion Bitmap to Sketch

Easy Eco Driver provides users a preview of a document before printing, which helps reduce wasted printouts. While previewing the document, users can modify its format by removing text and images. The user can also adjust the layout (for example, from 1-up to 2-up printing) without changing the original document layout.

LCD Control Panel: One of the Largest in its MFP Class

The color LCD control panel on the MultiXpress SCX-8230NA and SCX-8240NA MFPs is 8.9" and considered one of the largest control panels in its printer class. The control panel tilts for optimal viewing of current job status, operational prompts and set-up menus. Also, LED indicators, such as low paper alerts and a ready-for-use indicator, help users more quickly determine the device status.

Samsung Mobile Print solution earned the Summer 2012 "Pick" Award as "Outstanding Mobile Print App" from Buyers Lab, Inc.

Samsung Eco-Driver earned the 2012 "Outstanding Achievement" Award from Buyers Lab, Inc.

Expand functionality easily and affordably.

You can accomplish more with the Samsung SCX-8230NA and SCX-8240NA MFPs and their expanded functionality options. The SCX-8230NA and SCX-8240NA MFPs can be tailored to your unique business requirements. You can add security, usage monitoring and more.

Manage Workflows with Smart Solutions

Use Samsung solutions with the MultiXpress SCX-8230NA and SCX-8240NA to create an MFP that helps efficiently manage business workflows.

Single Sign On (SSO)

A user logs in once and gains access to all Samsung solutions.

Secure Printing

Documents are not released without user authentication.

Secure Document Workflow

Only authenticated users can access the pre-defined scan workflow by SmarThru™ Workflow with the icon-based intuitive user interface.

Usage Monitoring by User and Device

IT administrators can manage and monitor users' print, copy, and scan jobs by using the SyncThru™ Admin interface.

Professionalism at the speed of light.

In today's fast-paced environment, you expect your MFP to achieve maximum uptime. The new Samsung MultiXpress SCX-8230NA and SCX-8240NA provide high-output workgroups optimal speed for printing, copying, scanning and faxing, without sacrificing quality. Samsung's Rendering Engine for Clean Page (ReCP) technology produces professional-grade printouts, and the polymerized toner uses smaller and more uniform particles to provide vivid and glossy images, while requiring lower fusing temperatures.

Improve Performance with Twice the Power

The MultiXpress SCX-8230NA and SCX-8240NA enhance office productivity with faster printing and scanning capabilities, powered by a fully integrated Samsung 1GHz dual-core processor. Large print and copy jobs are easier to manage, and scanning throughput is increased. The dual-core processor performs printing tasks faster than a conventional processor, enabling employees to focus on core work activities.

Enjoy Quality Printouts

Samsung's unique ReCP technology and up to $600 \times 600 \times 4$ -bit dpi improve the overall quality and vibrancy of your printing. ReCP technology automatically sharpens the focus of both graphics and text. Edges and negative type are enhanced and sharpened for professional results, and images are de-screened to look cleaner and more natural.

Send Scanned Files Quicker with High Compression

The Samsung Mixed Raster Content (MRC) technology compresses scanned files with little reduction in quality. The compressed files save MFP storage space, helping users create and send scanned documents with greater ease and speed.

MRC: extracted text and image for PDF format scan. Evaluation from internal test lab.

Prevent Document Fading with Polymerized Toner

Samsung polymerized toner produces smaller and more uniform particles than conventional toners. Printouts have crisper lines and more vivid detail, and pages curl less often. Additionally, the high wax content improves the image gloss and durability, which helps prevent the document from fading.

Enhance your office data security at no extra cost.

Your business is no one else's business. Samsung helps you keep it that way with a number of built-in security features. Data encryption, secure log in, protected networks and more are all standard.

Control Data Security

Data security is a major concern of businesses today. The Samsung Security Framework is standard on the MultiXpress SCX-8230NA and SCX-8240NA. It increases network protection and helps prevent unauthorized access to confidential information.

XOA (eXtended Open Architecture) API

Connect the MultiXpress SCX-8230NA and SCX-8240NA MFPs to a company's applications through XOA. Based on open standards, XOA enables print solution vendors to create embedded applications that enhance the use of the device's capabilities to help improve business processes. XOA provides:

- Intelligent integration across a wide range of services
- Easier integration and less downtime during installation
- A flexible solution for continuous productivity
- Optimized extensibility and customization

Increase Efficiency and Productivity

Samsung offers solutions to help increase business efficiency, such as device management, secure printing, document workflow, barcode document management, and mobile printing. Samsung's extensive suite of solutions is designed to help meet modern office requirements.

Authenticated User

- Authentication
- Authorization
- Accounting

Protected Network

- Secure Socket Layer (SSL)/ Transport Layer Security (TLS)
- Simple Network Management Protocol (SNMP) v3
- Internet Protocol Security IPSec (Internet Protocol [IP] v4, IPv6)
- 802.1x with Extensible Authentication Protocol [EAP]
- Protocol/port management
- Mac/IP filtering

Secure Document

- Secure print
- Secure scan
- Secure fax
- Document tagging (watermark, stamps)

Secure Data

- Encryption
- Hard disk drive image overwrite
- Digital signature

Secure Management

- System logs
- System back up
- Email notification

SyncThru[™] Device Management Solution

SyncThru™ Admin remotely discovers, manages, diagnoses and reports all devices within the network to achieve increased efficiency and productivity throughout the organization.

Easy Mobile Print App

Free Samsung Mobile Print App lets you print, scan and fax to/from mobile devices. Just connect to your MFP wirelessly and print, scan or fax, without the need to install any drivers.

SmarThru[™] Workflow Document Distribution Solution

SmarThru™ Workflow streamlines document workflows, from capturing paper documents and electronic documents, to distributing them to predefined destinations.

Barcode[™] Document Management Solution

Barcode™ is used to manage assets and stock items, track items through distribution channels, or simply improve the management of documents within the organization.
